Providing Visitors with Anonymous Access

You can access our Web site home page and browse our site without disclosing your personal data.

The services and links of our Web site

Our Web site does not enable our visitors to communicate with other visitors or to post information to be accessed by others.

Our Web site does not include links to third party Web service providers.

Automatic Collection of Information

We do not use cookies on our Web site.

We do not automatically log personal data nor do we link information automatically logged by other means with personal data about specific individuals.

Data Collection and Purpose Specification

We collect the personal data that you may volunteer while using our services.

We do not collect information about our visitors from other sources, such as public records or bodies, or private organisations.

If we wish to use our visitors' personal data for new purposes, we do not give them the opportunity to consent to those new purposes.

Children's Privacy

We do not knowingly collect personal data from children.

We do not take specific steps to protect the privacy of children who disclose their personal data to us.

We do not provide information about our personal data practices in relation to children on our home page, or at those sites on our Web site where we collect personal data.

Disclosure and Visitor Choice

We do not disclose your personal data to our subsidiaries or other organisations.

Confidentiality / Security

We do not give visitors to our Web site the option of using a secure transmission method to send us their personal data.

We have implemented security policies, rules and technical measures to protect the personal data that we have under our control from:

- unauthorised access
- improper use or disclosure
- unauthorised modification
- unlawful destruction or accidental loss

Our employees and data processors, who have access to, and are associated with the processing of personal data, are not obliged to respect the confidentiality of our visitors' personal data.

We ensure that your personal data will not be disclosed to State institutions and authorities except if required by law or other regulation.

Access to the personal data we may hold about you

You can ask us, by:

- sending an email (enquiries@killer-byte.co.uk) whether we are keeping personal data about you.

Upon request, which you can indicate by:

- sending an email (enquiries@killer-byte.co.uk) we will provide you with a readable copy of the personal data which we keep about you, within a week. - Although we may before require proof of your identity -. We will provide the information at a charge of £20.

We allow you to challenge the data that we hold about you and, where appropriate, you may have the data:

- erased
- rectified or amended
- completed

We reserve the right to refuse to provide our visitors with a copy of their personal data, but will give reasons for our refusal.

We do, however, allow you to challenge our decision to refuse to provide you with a copy of your personal data.

Privacy Compliance

There are no national laws or self-regulatory schemes applicable to our web site or organisation.

There are no global or regional regulatory or self-regulatory schemes applicable to our web site or organisation.

We cannot demonstrate that our privacy policy accords with the privacy instrument.
